

# Loyola Duals & Best of West Tournament

Here is your formal invite to Best of the West to be held in Missoula May 10 & 11th. Girls at Playfair and boys at Fort Missoula courts. Entry fee is \$125.00 per team. So if you have girls & boys it will be \$250.00. Sorry; but our rates from the city have went up 50% in two years.

Amy Daniel will be putting the draws together and will send out an email following this one. Please respond to here as soon as you can so we have some numbers for the tourney.

Remember to bring balls and water removal equipment. Loyola has some; but it never seems like enough. If you have questions please let Amy or myself know. My cell is 406-544-0980.

Looking forward to seeing everyone again this year.

Patti Danforth

Loyola Sacred Heart Tennis Coach

Hi Everyone:

I wanted to send the Friday match schedule for the head-to-head matches. Please let me know if you discover any errors. The girls have 5 additional schools participating so their matches are a little more limited than the Boys' side. Saturday will be bracket style so many of the kids will get additional matches the second day. I am also very committed to subbing in players as deemed appropriate.

I have attached a Tennis Score Sheet for Team play on Friday. Last year everyone had different sheets and it was so difficult to track. I will have someone at the desk filling in the scores but each coach will need to provide their completed sheets prior to the scheduled match.

Friday play will be 8 game pro sets with a 10 point tie breaker at 7-7.

Saturday will be 2 out 3 sets (NO ADD SCORING). We will only play 7 point tie breaker for the 3<sup>rd</sup> set due to time limitations.

That's all for now, I am working on Saturday draws from the rosters you all provided. I am still missing a few teams so please send my way as time permits.

Thanks!

In the past, teams have brought extra players, so please know I will do my best to accommodate. My goal is for the kids to get as much touch on ball as possible and to have fun in the process.
